

Data Ingestion with Apache Sqoop and Apache Flume - Session 3

Course: DS - DE

Lecture On: Apache Sqoop - II

Instructor: Hitesh Hasija

Segment - 01

Session Overview

1	Importing specific rows in Sqoop using the 'where' clause
2	Support of SQL queries in Apache Sqoop
3	Incremental import in Sqoop
4	Sqoop jobs
5	Tuning Sqoop

Session Summary

1

Learnt how to import specific rows in Sqoop using the 'where' clause

2

Discussed the support of SQL queries in Apache Sqoop

3

Discussed incremental import in Sqoop

4

Learnt about Sqoop jobs

5

Learnt how to tune Sqoop for improving performance and efficiency

Thank You
